Inspiration for S.S.G.M.

In the Vedic era, students obtained knowledge living in Gurukuls', following the footsteps of Rishis that guided them with knowledge that would liberate them from bondage.

They learned the principles, not only by memorizing but also by applying them in real life situations. The focus of the educational system was on the development of practical wisdom rather than an accumulation of information. The curriculum integrated moral values. It was this unique way of teaching that made the students achieve success in both the material and spiritual spheres of life.

The message of Bhagwan Swaminarayan "प्रवर्तनिया सद्विद्या" and the ancient system of Gurukul inspired Sad-Guru Swami Shreevallabh Dasji and Shastri Swami Dharmajivan Dasji to re-establish the ancient system of education and hence laid the foundation of the Gurukul at Bhuj.

Situated in the midst of Mother Nature and spread across 12 hectors of land, The SSGM Gurukul is operated by Shree Narnārāyan Dev Trust Bhuj. Being the seventh Gurukul of Bhuj Temple, its foundation stone was laid on Monday 28-4-2003 that is the 12th day of Chāitra Vad, which was then formally inaugurated by Mahant Swāmi Hariswarup Dāsji in 2004. SSGM is presently functioning with the blessings of Swāmi Shreehari Dāsji and directed by Swāmi Devkrushna Dāsji.
